NOTICE

20 June 2008

LIFT UPGRADING PROGRAMME (LUP 51)
BLK 103 Bukit Purmei Road

Dear Residents/Occupants of **Blk 103**

As part of the upgrading works, the building contractor, M/s Teambuild Construction Pte Ltd would be carrying out the following works at your block as follows:

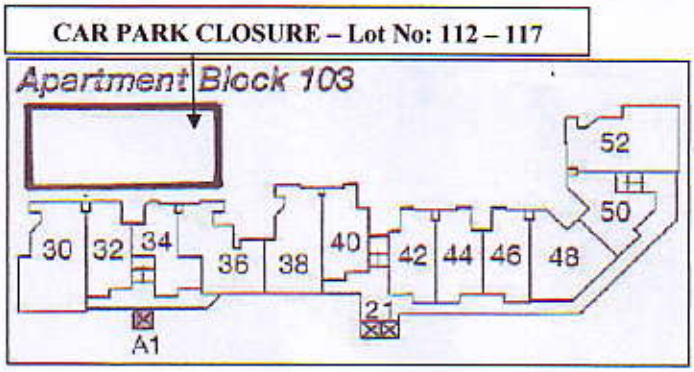
They will be carrying out **plate load test (PLT)** for footing works in front of Block 101 indicated in the attached plan (car park closure) from **30th June 2008 to 1st July 2008** for two days. Temporary hoardings and directional signages will be put up for your safety.

There will be a **closure of car park** lots from lot no. 112 – 117 (6 lots) for the plate load test. The car park will be closed for 2 days from **30th June 2008 to 1st July 2008.**

Some noise and dust would be unavoidable during the work process. However, we would like to assure you that noise and dust would be kept to the minimum. We apologize for the inconvenience caused and seek your understanding on the above matter so that works can be carried out smoothly.

If you need any assistance or clarification, please call us at our Toll-Free Telephone Number as stated below.

Thank you.



Yours faithfully

Tan Kim Lan, Jean
Project Manager (Project Management)
